

LORENA SUÁREZ MONROY

Wix Landing Page Designer | High-Converting Pages with Strong Visual Storytelling

PROFESSIONAL OVERVIEW

I am a wix Landing Page Designer specialized in creating visually attractive, clear, and conversion-focused landing pages for brands, entrepreneurs, and digital products.

With a strong background in visual storytelling and design, I transform ideas into structured landing pages that guide users naturally toward action. My approach combines UX clarity, persuasive visual hierarchy, and clean design to help clients increase engagement, trust, and conversions.

I work remotely with international clients and adapt each landing page to the project's goals: lead generation, product launches, services, or brand positioning.
